

CITY OF HUDSON
BOAT LAUNCH SEASON PASS STICKER

NOTE: The boat launch will undergo reconstruction during the 2022 season. Expect prolonged ramp closures through July. High river levels will fluctuate schedule. Take this into consideration prior to purchasing a season pass.

Please submit a completed form and payment to City Hall (505 3rd Street). After hour submissions may be dropped off in the utility drop box. You will need to include a copy of your **CURRENT BOAT REGISTRATION INFORMATION**. The sticker and policy will be returned by mail to the address noted on this form.

The boat launch season pass sticker you are receiving is being issued for identification that the launch fee has been paid. The sticker is for the current boating season only. Issuance of a sticker does not guarantee that parking will be available. A sticker for each boat or watercraft is required.

Please put the sticker on your boat trailer up near the tongue on the driver side of the vehicle. If the boat launch parking lot is full, boaters can still launch but cannot park their empty boat trailer on any public street or other city-owned parking lot per City Ordinance.

If there are any questions or comments, please contact the parks department at (715)386-4774, ext 113. Have a safe and happy boating season.
