Wisconsin Statute § 6.869 requires the development of uniform instruction for absentee voters, including means for correcting errors in marking an absentee ballot and obtaining a replacement ballot.

## **Photo Identification**

Photo identification is not required for permanent overseas voters.

## **Uniform Instructions for Absentee Permanent Overseas Voters**

**If you have received your ballot by fax or email**, please be sure you have received and printed (if emailed) your ballot(s) and your absentee certificate. Please note the special notations within the instructions.

1. Read and follow the instructions for completing the ballot carefully. Mistakes may spoil your ballot.
2. Complete the ballot in the presence of one (1) witness. The witness cannot be a candidate at the election and must be an adult U.S. citizen. The witness must verify that the individual completed the absentee ballot, but should not view the voter's choices.
3. Refold the ballot and place inside the certificate envelope.
  - **Fax or email instruction:** If your ballot was faxed or emailed to you, fold the ballot and place inside a regular, non-window envelope.
4. Seal the envelope.
5. Complete (or verify, if clerk has provided) the elector information section on the certificate envelope. If you have moved from the address listed on the certificate envelope, contact your municipal clerk. *Do not cross out the address.* Sign the certificate and provide your date of birth. One witness must sign the certificate and provide his/her address. If the municipal clerk has already completed the elector information, the elector must still sign the certificate, and one witness must sign the certificate and provide his/her address. Mail the certificate envelope to your municipal clerk with adequate postage.
  - **FAX or email note:** If you received your ballot by fax or email, you will only have a certificate, not an envelope.
  - **Fax or email instruction:** Complete the certificate, sign it and have a witness sign it and provide their address. Affix the certificate (with glue or tape) to the envelope containing the voted ballot. Place the envelope with the certification attached into another, larger, envelope. Seal the envelope, address it to your municipal clerk and apply adequate postage. *You may not return the voted ballot to the clerk by fax or email.*
6. If you make an error while marking your ballot or otherwise require a replacement ballot, contact your municipal clerk immediately. You must return your original ballot and certificate envelope before a replacement ballot will be issued. An elector may request that a replacement ballot be emailed or faxed to him/her. *You may not return the voted ballot to the clerk by fax or email.*

- No replacement ballots are mailed, emailed or faxed after the 5<sup>th</sup> day preceding Election Day. Return the replacement ballot (in or with the certificate envelope) postmarked no later than Election Day. The ballot must be received no later than 4:00 p.m. on the Friday after the election.
